**Position Summary:**

This position instructs clinical courses for the respiratory care program based on schedule need. Instructor delegates assignments and supervises students in correct performance of patient assessment and therapies in the clinical setting.

**Essential Duties and Responsibilities:**

The following are the functions essential to performing this job:

1. Demonstrate a thorough and accurate knowledge of patient assessment and respiratory therapies.
2. Demonstrate behavior that reflects integrity, supports objectivity, and fosters trust in the profession and its professionals.
3. Delegate assignments and supervise students in correct performance of patient assessment and therapies in the clinical setting.
4. Maintain open communication with the clinical coordinator and clinical facility staff.
5. Continuously seek out learning opportunities to optimize time while in the clinical setting.
6. Prepare for clinical and lab classes by selecting appropriate learning experiences.
7. Evaluate the student for appropriate psychomotor, affective, and cognitive skills.
8. Demonstrate knowledge of policies and procedures as described by the clinical facility.
9. Stay current in discipline subject matter through professional development, involvement in professional organizations, and attending professional meetings, conferences, or workshops.
10. Remain up to date with inter-rater reliability training.
11. Perform other duties consistent with the expectation of clinical staff.

**Required Minimum Qualifications:**

1. Associate Degree in Respiratory Care from an accredited academic institution
2. Registered Respiratory Therapist (RRT) by the National Board for Respiratory Care

*Clinical/Field Experience Staff, Respiratory Care*

3. Licensed Respiratory Care Practitioner by the State of Maryland
4. Three years full-time current work experience as a Respiratory Care Practitioner
5. One year current Critical Care Experience
6. American Heart Association Basic Life Support (BLS) Certified

**Desired Qualifications:**

1. Preceptor experience
2. 3 years teaching experience
3. 3 to 5 years critical care experience
4. ACLS, PALS certified
5. Ability to work effectively with a wide range of constituencies in a diverse community
6. Effective oral and written communication skills
